

MEMBERSHIP

Membership is open to anyone holding an associate or equivalent (RN), baccalaureate or higher degree from a qualified educational institution. Student affiliation is available to undergraduates and degree-seeking graduate students attending educational institutions.

Branch membership offers friendship with like-minded people and is an arena for making a positive contribution to your community.

Local dues include state and national membership. Sharing and supporting the values and positions of AAUW is very important. In addition to the Association benefits offered all AAUW members, branch members enjoy opportunities to network at the local level, sponsor community action projects to promote equity, and serve in branch leadership positions
