**Thursday, May 15, 2025**

**Community Room, Redding Library at 5:30 pm**

**Jennifer Middleton, Kid's Turn**

Half of marriages in the United States end in divorce leaving children fearful, sad, depressed, guilty, and insecure. Kid's Turn is a psycho-educational program to help kids understand and express the traumatic emotions they feel about parental separation. The program provides weekly workshops for both parents and their children to learn how to manage the changes in their families with the goal of promoting communication between parents and children and making kids feel less alone.

Jennifer Middleton is the Executive Director of Kid's Turn Shasta Cascade with a long history of working with children. She has a master's degree in psychology and Marriage and Family Therapy from the University of San Francisco and has served as the director of Northern California Center for Family Awareness since 1996. Please come to the Branch meeting and hear Jenni speak about this successful program.

At our May 15 Branch Meeting, we will be honoring our Scholarship winners. Menu: Salads catered by From the Hearth and will include dessert, wine, and lemonade. The cost will be \$25.

Please RSVP to Marta Hopkins no later than May 13. You may pay by cash, check, or PayPal (option #5). I would appreciate a confirmation text or email, even if you are paying via PayPal.

## A Message from the President

Gosh, it's MAY!

When you're not at an AAUW event, I hope you're outdoors enjoying one of Shasta County's most beautiful months. And how wonderful it is that you can be at an AAUW event supporting scholarships and AAUW Funds AND be outdoors enjoying our Garden Tour with family and friends. Hoping to see you at one of the six gardens on May 10!

We just don't stop. On May 15 at our Branch meeting, we'll have another terrific program from the Kids' Turn Family Workshop which is doing meaningful work helping families navigate separation and divorce. Please watch the 34-second video at [kidsturnredding.org](http://kidsturnredding.org). I dare you not to cry.

We'll also meet several of our scholarship recipients at our May meeting. It's always inspiring and gratifying to hear these women's plans for their further education and careers. This is why we work so hard planning events and raising money for scholarships.

Our Tech Trek committee has completed the selection of girls for camp at UC Davis this July. Pris Brutlag will have an update elsewhere in this newsletter. Tech Trek – another reason we do what we do!

More for our Branch to do this month:

- Program planning for 2025-2026

- Fundraising plan for 2025-2026

- Action Plan for 2025-2026

You are invited to participate. Keep watch for emails announcing meeting dates.

Some thoughts on the bigger picture:

April and May are the months AAUW National (April 14 – May 13) and AAUW California (April 26 – May 16) kick off voting on various issues, bylaws, and board positions. If you missed the emails, you will find election information at [aauw.org](http://aauw.org) and [aauwca.org](http://aauwca.org). Please vote.

AAUW California offers this statement concerning a proposed increase in state dues:

*"A notice was sent to all members that the AAUW California Board of Directors has placed a dues increase on the ballot this month. Despite cutting costs, we find ourselves limited in how much more we can offer branches and members in terms of support and resources. We discussed this at length and reviewed the value that we feel the state organization brings to you. We hope you will agree it is worth an extra 83 cents a month and vote yes!"*

Having observed members of the CA Public Policy team, Amy Hom and Missy Maceyko, at work I can vouch for their expertise and dedication to making sure AAUW policy priorities are presented to state legislators. California AAUW has dynamic directors. So, make your voice heard when accepting, rejecting, or selecting ballot initiatives and candidates. AAUW is a place you can still advocate for women, girls, diversity, equity and inclusion.

Peace and every good.

Sharon, President Redding Branch AAUW

# About AAUW's Greatest Needs

*We are tenacious and trailblazing - advocating for women and girls since 1881 and into the future!*

## The Impact of Your Support

AAUW benefits from diversified revenue sources which include contributions, a generously supported endowment, and dues revenue. However - **dues revenue does not cover the full cost of supporting our membership** - over 10,000 of our members (and growing) are Honorary Lifetime members (non-dues paying). Our endowed Fellowships and Grants funding will sustain these restricted programs in perpetuity - however **only 5% of our Net Assets are unrestricted.**

**Supporting the sustainability and effective operations of the National organization directly benefits our Members, Fellowships and Grants Alumnae, Advocates and the communities we serve.**

## Our Focus

### Advocacy

Our members, supporters and staff work on local, state and federal levels to support laws and policies that enable women's success.

### Education

We champion equal opportunities in education. Though more than 60% of college graduates are women, they face barriers and biases throughout their schooling.

### Economic Security

We've been working to narrow the gender pay gap, which greets women as soon as they enter the workforce and widens throughout their working lives.

## How are donations to Greatest Needs Used?

### Research & Policy

Updates to and dissemination of our widely-cited signature research reports; and advocating for AAUW's values - our Research and Policy budgets are supported almost entirely by Greatest Needs

### Programs

Staff time and other direct expenses for NCCWSL, Salary Negotiation, Financial Literacy and Leadership Programs

### Membership

Supporting our members with resources and opportunities to engage. Dues do not cover the full cost of our membership support.

### Communications

Keeping AAUW at the forefront of a National dialogue about Women's Equity, growing our media exposure and maintaining our prominent seat at the table

*Most of the funds we raise as a branch go to our local Scholarship Program that supports women graduating from Shasta College who wish to complete four-year degrees or obtain professional certificates, or for local middle school girls to attend the Tech Trek summer camps at UC Davis.*

*But, we are more than a local organization. We are part of a large National Organization of 170,000 members that seeks to improve the lives of all women and girls in the U.S. by addressing, at the national level, issues like pay equity, educational opportunity, and women's health. However, the dues we pay to AAUW National do not support the full cost of activities at the national level because only 5% of its net assets are unrestricted.*

Suzannah Gerlach, AAUW Fund VP

## Scholarship/Education

April is an exciting month for the Education Committee because we will be interviewing scholarship applicants and awarding scholarships. Interviews were held April 16 and 17 for 9 applicants whose aspirations range from marine biology to nursing and graphic novel writing.

The committee has \$13,000 to award thanks to the work of all those who participated in fundraising. This year awards will go to the financial aid department of the institution the women will be attending because of IRS definitions of scholarship.

Scholarship recipients will be introduced at the May meeting and the June newsletter will have more information about the recipients of the scholarships. Thank you to all those on the Education Committee and to all who helped with fundraising.

Donna Holscher, Education Chair

## *AAUW Redding Garden Tour*

*9 am - 2 pm, Saturday, May 10*

*Tickets: \$30*

We hope you have already bought your tickets for the Garden Tour—if you haven't, there is still time! It's a perfect tour for Mother's Day weekend: the opportunity to visit four private gardens where you will feast your eyes on a wide variety of plants in bloom and may even catch an artist at work *plein-air*, plus the new Victorian Garden at the Behrens-Eaton house and spring blooms at the Matson-Mowder-Howe Celebration Garden in Caldwell Park. (Note: Flower-themed art will be on view in the North Valley Art League Gallery near the Celebration Garden.)

If you would like to bake some cookies for the Garden Tour, please contact Marta Hopkins. Marta asks that you deliver the cookies to her house on the morning of May 9, Friday, from 9:00 am-noon. (Please note the change in delivery hours!) We expect many visitors and want to have lots of cookies for them!

Thank you all for your generous support of Branch scholarships for Shasta College women wanting to continue their education and for AAUW's Greatest Needs Fund.

### **Tech Trek**

Interviews are completed and five deserving, amazing 7<sup>th</sup> grade girls and two alternates from Parsons Junior High have been selected to attend the UC Davis Tech Trek camp in July. Their families are now in the process of completing the required AAUW camp documents necessary for attendance. Once we are assured of their completion, we will publish their names. We appreciate all the support from so many of you for our fundraising efforts such as the theatre buyouts. Our commitment makes this outstanding, life-changing scholarship program possible.

## **STEM Conference**

**March 29, 2025, Shasta High School**

***240 participants from 9 counties and over 50 schools attended this year's conference.***

Forty-two women shared their careers with presentations and hands-on activities in 23 breakout sessions. Normally the conference is held at a college, but due to construction we held it this year at the original Shasta College dedicated by President Truman 75 years ago. When the College moved out to its present location in the 1960s, Shasta High took over the campus.

The day opened with breakfast in the cafeteria followed by investigating 10 Interactive Stations in the Gym. In addition, posters all over campus and banners in the gym encouraged the girls to learn about Famous Women in STEM. Emcee Jeanne Crawford directed an opening of the conference which included Key Note Speaker Ellen Hedfield and encouraged the middle school girls to expect the unexpected! Then off to the breakout sessions!

Lunchtime in the cafeteria also included time for more investigating of the Interactive Stations and finding more famous women in STEM in the gym. Closing ceremony brought opportunities for many of the girls to take home gifts baskets from all of the branch's interest groups.

Heart-felt thanks to this year's STEM Committee for their great work and dedication over the past year:

**Pris Brutlag**, Registration Chair and Outbreak Sessions Scheduler

**Maureen Chenoweth**, Sponsors, School Invoicing and Conference Materials

**Sharon Clairemont**, Volunteers

**Frances Cole-Boyd**, Registration and Spreadsheet Master

# AAUW 2025 Redding Community Woman of Achievement

## *Crystal Spencer*

**Crystal Spencer** is this year's Community Woman of Achievement. As the Executive Director of Faithworks, Crystal oversees the daunting challenge of housing homeless families. The nonprofit Faithworks, a collaboration of local churches, offers guidance and case management to help families transition from homelessness to permanent housing. Faithworks also offers the following:

- Permanent housing at St Francis Court - residents continue to receive services to keep them moving forward.
- Transitional housing for veterans on Lake Blvd.
- Outreach services to unhoused individuals – clients are guided in their search for housing.

Crystal has overseen the growth of Faithworks to increase their budget, get numerous grants, start outreach services and build a well-trained, cohesive staff. This is critical work in our community where the need for family housing is much greater than what Faithworks can meet with their units.

An Alaskan Native, Crystal was once an unhoused single mother battling addiction. She graduated from Faithworks, received an AAUW scholarship in 2014 and went on to get her Master's Degree in Management and Leadership. Hired as the Executive Director of Faithworks in 2019, Crystal brings compassion, vision, wisdom and faith to her work. Crystal is a joyful, thoughtful person who has a deep faith which she relies on to carry her through the difficult job she has. A homeowner and happily married mother of boys, Crystal overcame her own struggle with poverty, addiction and homelessness to compassionately work with unhoused families in need. We are honored to have her in Shasta County and proud to present her as AAUW Redding Community Woman of Achievement.

## AAUW Redding Branch 2025 Woman of Achievement *Maureen Chenoweth*

**Maureen Chenoweth** is our 2025 Branch Woman of Achievement Award recipient. When Maureen and husband Wayne moved from San Jose to Redding, they connected with AAUW member (and real estate agent) Lara Wells Osborn. Lara invited her to not only join our Branch, but to put her beautifully remodeled home on the Home Tour. The Chenoweth home was on Home Tour in 2016 and Maureen has been a crucial member of our team ever since. She has held the following positions:

President and President Elect  
AAUW Fund VP  
Interim Treasurer  
Educational Foundation VP  
Fundraising VP  
STEM Conference Chair  
STEM Conference Presenter Coordinator

In addition, Maureen has served on the following Branch committees: Home Tour, 75<sup>th</sup> Anniversary, Starry Night, Scholarship, Nominating, and Garden Tour.

Maureen graduated from Chico State with a degree in French. After that, she has worked in some aspect of promoting education for most of her life. With a BA and a secondary teaching credential, Maureen worked at the Foothill-De Anza Community College (FJDA) District in Los Altos Hills from 1996 through 2015 and served as President of the Classified Senate of the California Community Colleges (2013-2015) in addition to serving on other statewide governance committees for the Chancellors Office.

Maureen is not only a devoted and active member, but she is a warm, welcoming person who is always willing to open her beautiful home to AAUW meetings events and Scrabble games. AAUW Redding is lucky to have Maureen Chenoweth as our member and we are honored to present her as the 2025 Branch Woman of Achievement.

## PUBLIC POLICY and DIVERSITY, EQUITY, INCLUSION

### Redding on the Map at Lobby Days

Your Lobby Days Team was initially disappointed to be on the road at 5:30 a.m. April 8, with only one scheduled meeting: Assemblymember Zbur who represents District 51. So, our fearless leader, President Sharon Clairemont, led Maureen Chenoweth and me to our Assmbllymember Hadwick's office, and one of her staffers welcomed us right in. We spent 20 minutes sharing with Joseph Encinas AAUW-CA's positions on our three priority bills. We asked that Rep. Hadwick support **SB 771** which would hold social media-tech companies responsible for their AI when it intensifies hate messages that can lead to illegal actions. We also urged her support of **SB 418** which protects equal access to health care for all Californians regardless of gender. Lastly, we asked for a "no" vote on **AB 579** which could be used to keep a child in an abusive home. This bill targets marginalized trans youth.

**Why is AAUW standing up for the Transgender Community?** AAUW-CA Public Policy co-chair Missy Maceyko states, "When AAUW says that we support ALL girls and women, that means we always support transgender girls and women, and that we offer them extra support right now, at a time when their need is greatest." You can read Missy's full explanation in the March Public Policy Newsletter. Just go to AAUW-CA website and click "Public Policy" at the top of the homepage. Open "Newsletters." Choose March and scroll to page 4. I think it's worth a look.

**Just a note:** Heather Hadwick drives through Redding most Thursdays according to her staffer. Perhaps a collaborative forum with Ms. Hadwick, local Republican Women, Shasta College Ag instructors, HS FFA leaders. North State Agriculture is a strong focus of Assemblymember Hadwick.

Why not join our Lobby Days team next spring? It's exciting to meet other branch members and our state AAUW leaders in person and to feel the possibilities as you rub shoulders with other lobbyists and those who make the laws.

### AAUW-CA Voting Now Happening

Be sure to send in your vote regarding: 1. an annual state dues increase from \$20 to \$30; 2. board members (perhaps vote to continue Amy Hom and Missy Maceyko for two more years as Public Policy Chairs); and 3. the updates to our Public Policy Priorities.

### DEI—May 5th is National Day of Awareness for Missing Murdered Indigenous Women & People

Nationally, Native Women go missing and are often found murdered at 10 times the rate of all other American women. This can be due to law enforcement jurisdiction issues between tribal, county, state and national authorities as well as bias and generational trauma which can lead to mental illness and substance abuse. Generational trauma is often the result of the abuse of native children in state and religious boarding schools.

April Carmelo, local Native American educator, reports that currently there are 15 Shasta County missing indigenous women. You can join April and others to **march for awareness of the MMIW May 10th at 10 a.m.** as part of the City of Shasta Lake's Boomtown Festival Parade. If participating, please wear red. **Unable to join the march?** Consider watching these documentaries: "**Sugarcane**" academy award nominated film on Hulu and "**Missing from the Fire Trail Road**" also available on Hulu.

**May 23, 24 and 25** local "**Festival Taste of Africa**" at St. Joseph's School, 2460 Gold St. Experience African food, live music, fashion, dance and drumming workshops, videos and more. "**Celebrate our shared humanity and foster respect & understanding...**" Free on Saturday and Sunday. Go to [www.recoproka.org](http://www.recoproka.org) for schedule of events.

Please take some moments to check out the **many possible actions** in the AAUW-CA Public Policy Newsletters where you will find links to: the new Take Action spreadsheet, the new Bluesky social media advocacy account, Actions to help kids feel safe at school.

Here's to a meaningful May filled with Focused Action in support of women, girls and all of us.

**Drama Divas  
Wednesday May 7**

**11:30 for lunch then play reading**

**Hostess: Mari Ennis-Applegate**

Join us for the season finale with a delicious potluck meal and interesting drama to read. Let Mari know if you will attend and let her know what food you plan to share. We will be reading *12 Angry Men* by Reginald Rose, a courtroom drama that centers on a jury deliberating the fate of a 16-year-old boy accused of murdering his father. As the jurors discuss the evidence, tensions rise and personal biases come to light, particularly from one juror who believes in the boy's innocence. The play explores themes of justice, prejudice and moral responsibility, ultimately highlighting how reason and compassion can prevail over personal biases.

We will begin our 25th season this coming fall. For one annual fee of \$11 (which covers postage and to receive the first batch of plays), you will have the opportunity to read eight or nine different plays next year. This is a small group setting, where we have 10 copies of the play and each take turns reading parts. Lively discussion follows. All AAUW members are welcome to join us.

Thank you to Annette Spitsen for hosting us in April. Drama provided six gift baskets to the STEM conference, so thank you to all who donated. Contact Tammy Douse if you have any questions about this group.

## Book Section

**Tuesday, May 20, 5:30 pm**

### **All Saints Episcopal Church on Benton Drive in Memorial Hall**

We are planning a potluck with an appetizer, salad, and dessert bar. A sign up sheet was circulated at the April meeting. If you have not yet signed up, please call or e-mail Debbie Spiess to let her know what you would like to bring. We have plenty of appetizers but are in need of people to sign up to bring salad.

Please come ready to enjoy a meal and great conversation with our book section participants. We will discuss the nominated books and then vote for the books we would like to read.

**The process for nominating books is going to be a little different this year. Here is a list of the changes:**

- Book nominations will be submitted early to Debbie Spiess so a list can be sent to the membership. Participants would then have time to think about the books and be more prepared to vote than in the past.
- At the meeting people who submitted nominations will be asked to tell a little about the book and advocate for it.
- The deadline for submitting nominations for books will be May 8.
- There will be a limit of one nomination per person.
- If someone at the meeting has a book to nominate, we will take nominations from the floor. Hopefully, the bulk of the nominations will be made through email.

If you are interested in being in an evening group, we will discuss possible days and configurations to make that happen. Please plan to join us in May and be a part of the book selection process.

## Travel Interest Group

March 26 concluded with a wonderful presentation from Debbie and John Stokes, and Mari and Terry Applegate on their trip to South Korea and Japan. Each couple took turns presenting aspects of the trip. Their pictures and presentation are always so appreciated. Both couples will return next year with new trips they have recently taken. Look for Travel Interest Group to return in the September newsletter.

To my husband Dave, who is a very important person for our Travel program, thank you for all your time and effort. He puts countless hours into the Travel shorts each month, all based on trips we have taken. His patience with technology cannot be overlooked. This year, he did travel shorts on our Canadian Rail experience, and our National Geographic tour of Columbia's coast line, islands, and the Panama Canal. He is a wiz with the technology!

In closing, I want to encourage you to get out and about around Redding and see the wildflowers. A great place for viewing is down near Red Bluff on Jelly's Ferry Road. Do not miss the tiny flowers that are less than 5 inches tall. Thank you again to this season's presenters and a thank you to all that come to Travel. I look forward to seeing you in October. Have a great summer.
